PTV GROUP

part of Umovity

A wide-angle photograph of a city skyline at sunset. The sky is a mix of blue, pink, and orange. The city buildings are lit up with lights. In the foreground, there is a large, dark, textured surface, possibly a road or a field, that reflects the light from the city and the sky. On the left side, there is a large, curved, metallic structure that looks like a modern architectural element or a bridge.
