Data Protection Documents

PTV Planung Transport Verkehr GmbH (hereinafter referred to as “**PTV**”) together with its affiliated companies within the meaning of Sections 15 et seq. of the Austrian Stock Corporation Act (AktG) form the “**PTV Group**”. The PTV Group provides separate privacy policies for the various processing activities involving personal data. The respective scope of application depends on the product or service you use.

1 Privacy Policy for Prospective Customers and Customers

The [Data Protection Statement for Interested Parties and Customers](#)¹ (for US and Canada available [here](#)²) applies to general processing of personal data, in particular professional services that cannot be assigned to a product or service provided by the PTV Group.

2 PTV Software-as-a-Service

“**PTV Software-as-a-Service**” is cloud-based software and data provided by PTV to the customer as a service via the Internet. For PTV Software-as-a-Service the [Data Protection Statement PTV Software-as-a-Service](#)³ applies.

3 PTV Software

“**PTV Software**” refers to PTV software programs or components, including licensed third-party components, whether as a whole or in part, that are intended for use on the customer's own premises (“on-premises”). The PTV Software the [Data Protection Statement applies to PTV Software](#)⁴.

4 Data Processing Agreement

If the PTV Group processes personal data on behalf of a third party, the current version of our [Data Processing Agreement](#)⁵ applies in conjunction with our technical and organizational measures and the list of subcontractors in the [Data Processing Agreement Appendix](#)⁶.
